

Dear Arts in the Park Participant,

Brainerd Community Action is pleased to announce that plans have been set for the 44th annual Arts in the Park. This year's event is scheduled for **Sunday, July 1, 2018** from 10 am - 4 pm. Gregory Park will again provide a beautiful setting for the show. In addition to your art exhibits we will have food booths and a variety of entertainment featured in the bandstand.

Because you were accepted into this show by jury previously, you are cordially invited to join the Arts in the Park show again this year. Please fill out the registration form and enclose a check for \$125.00 and return by May 11, 2018.

**Please make checks payable to:** Brainerd Community Action  
c/o Arts In The Park  
213 S. 5th Street  
Brainerd, MN 56401

We thank you for helping us keep this art show as clean as possible. When you bring us information of questionable vendors, we take it seriously. The vendor is investigated and if we find that they violate the rules of Arts in the Park, they are not invited back.

When displaying at Arts in the Park, you must provide your own canopy in case of inclement weather. The exhibition space will be measured to a 12' X 12' area. No one can display outside of their area.

We want to inform you of some changes that are occurring this year. After reviewing the results of the survey that was sent out after the 2017 event, we have decided to pay special attention to the vendor layout, with the goal of giving each vendor an equal opportunity to have a successful day of sales. Date and payment of application will play a role in park placement along with type of medium. Other attributes may play a role as well. If additional space is needed, you must indicate that request on your entry form and pay the appropriate fee. Due to the new event layout, no vendor will be guaranteed their 'regular' placement. Updated maps will be available to you and our guests. This will be most beneficial in self-promotion and way finding.

We hope you will join us again this year for what we feel will be an exciting and excellent  
**ARTS IN THE PARK 2018!**

Sincerely,

Holly Holm, Executive Director

The committee attempts to locate all exhibit spaces in comfortable locations, however, the park layout being as it is, means some high-traffic areas will experience periods of direct sunlight.
