

Hello Artist,

Brainerd Community Action encourages you to enter your artwork into our **Arts In The Park** event to be held June 30, 2019 in the spacious, tree lined grounds of Gregory Park. New this year, will be a "Community Corner" celebration theme, where we will partner with local resorts and tourism industry to kick off the 4th of July week with a bang and promote more resort patrons to attend the event. My hope is you will consider attending, networking with other artists, and making a profit on your amazing talents! Because I am new to this role – I am always interested in learning any feedback as to why you haven't attended recently, or if there is something we could do in order to assist you in being part of this great day! Please reach out and let me know!

WHAT is Arts In The Park (AIP)? AIP is widely known and respected as one of central Minnesota's finest arts presentations. Artists are individually juried into AIP to ensure the highest possible quality of wares. Guests and artists alike will find some new art elements, as well as some old favorites.
