

Dear Food Vendor:

First of all, thank you for the support you have collectively shared with us over the years and for helping us build the premier fireworks event in the state of Minnesota. We are once again honoring the reduced vendor rate for the 2024 celebration of \$250 per space.

The Brainerd 4th of July Celebration will be held on Thursday, July 4, 2024 from **6 pm to 10:45 pm** with set up running between **3pm – 5pm** prior to the start of the 6pm parade and street closures. If you are interested in having a food concession booth at this year's event, please complete the attached agreement and **return it to Brainerd Community Action, along with your vendor fee payment (paid in full-no exceptions), insurance certificate and food vendor's license as soon as possible.**

Each booth will be given at least a 12' x 12' space and we will extend that if possible. Please be sure that all grills are located away from the customers.

We will hold the event rain or shine and will not designate a rain site. The fee is non-refundable. Community Action reserves the right to enact an act of God clause on this contract in the extremely unlikely event that it is affected by forces outside their control that prevent the event from taking place.

Please return the contract and fee payment to:
Brainerd Community Action
321 S. 7th Street Suite 105
Brainerd, MN 56401

An electronic contract can be sent to: Info@BrainerdCommunityAction.org

In the past, the Minnesota Department of Health has contacted Brainerd Community Action regarding valid food licensing. Per the regulations of the state, Brainerd Community Action is asking each food vendor to send a copy of their food vendor's license. We certainly want to obey the rules and regulations of the state to ensure the safety and quality of our events. It is mandatory that each vendor send a copy of their license to Brainerd Community Action no later than one week prior to the day of the event. If a copy of your license is not on file, we will not be able to allow you to serve food at our community events. This includes Arts in the Park, and/or the 4th of July. We also recommend that each vendor have their food license with them at the event.
